

Data Management and Risk Management

For the web shop on our website www.holsteininternational.com, the following understanding applies:

- Use is made of the gateway payment solution
 - This gateway payment solution comes from the company Icepay
 - Transactions will not be sent via other third parties, webhosting companies or other gateways
 - Credit-card data will not be obtained, processed, kept or digitally stored by Holstein International
 - Holstein International nor Icepay comply with the PCI/DSS requirements
 - In the case of erroneous orders via the web shop, the amount concerned will be credited to the client after the goods have been returned to HI under deduction of the transport costs
 - Address check: address details of clients will be checked by HI before the order is processed
-
